

## EUROPEAN WEEK AMAZING RACE - KAJAANI AS A HISTORICAL PART OF EUROPE

*Welcome to the historical sites of Kajaani! There are many historical monuments and sites in the centre of Kajaani that not all Kajaanians are aware of. During the race you might learn something new about Kajaani as a European city. Read the detailed instructions below and get going!*

- ✓ You can visit the ticks from Friday 7 May at 9.00 until the morning of Monday 10 May. The aim is to collect a special ID (hashtag #) for each tick checkpoint. By collecting the hashtags, you prove to have visited the site.
- ✓ The aim is to collect the ID's (hashtags #) for at least 5 checkpoints and to deliver those to the event organizers to enter a draw to win 10 prize bags.
- ✓ If you have a smartphone and internet access, you can consult the map and instructions online, or alternatively send your answers from your home computer at address: <https://link.webropol.com/s/amazingrace2021>. If you participate with a paper form, you can return your answers to any tick point where there is a staff member present (NOTE: limited hours!).

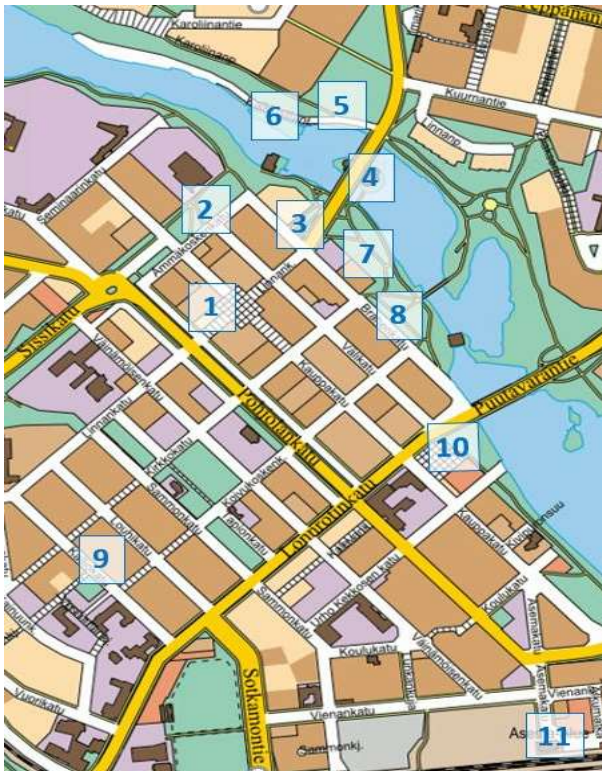

### **Additional Information:**

- ✓ It is allowed and even desirable to post photos of the ticked checkpoints and/or information boards on social media with the hashtags (hashtag/#) found on the ticks.
- ✓ A refuelling point with coffee, other refreshments and snacks will be available at the Town Hall Square on Friday between 12 am and 3 pm.
